

ECO-RESOURCE CONSULTING, INC

Eco-Resource Consulting, Inc. (ERC) is currently seeking Summer Interns for a Paid Internship Program through our office in Stoughton, Wisconsin. ERC's Internship Program will give students hands on experience with the foremost ecological consulting and restoration team in Wisconsin! ERC provides advanced ecological restoration, mitigation and consulting services throughout Wisconsin, Michigan, Illinois, and the greater Midwest. ERC serves leading energy, government, institutional, corporate, and private clients from throughout the region. We help clients by conducting resource inventories and assessments, assisting with regulatory compliance, monitoring construction, and completing on the ground restoration and land management. For more information about ERC and what we do check out our website at www.eco-resource.net.

Job Duties:

Job duties will include carrying out tasks related to prairie, wetland, woodland, and other natural community restoration and land management. Specific job tasks will include application of herbicides, mowing, installation of erosion control products, native seed and plant installation, and invasive shrub/tree removal and treatment. You will work in field crews with typically 2-4 people and will be under direct supervision of a crew leader. Equipment operations may include brush-cutters, backpack herbicide sprayers, ATV, and UTV.

Basic Qualifications:

- Must be able to lift 50 lbs. and be able to perform physical work in a wide range of outdoor weather and environments including walking 2-4 miles in rough terrain.
- Strong oral and written communication skills, analytical and creative problem-solving skills.
- Willingness to travel and conduct field work in remote areas for extended periods.
- Enthusiasm and willingness to learn.

Internship Benefits:

- Competitive hourly pay
- Hands-on experience implementing restoration practices
- Opportunities to work in the field with top professional mentors
- Internships will be seasonal full time (40+ hours a week) and will occur during the summer months; June – August/September

ERC is an equal opportunity employer that embraces a diverse workforce. All individuals will receive consideration for employment based on qualifications in accordance with governing laws.
